**RULES FOR PROCESSING PERSONAL DATA IN EFFECT AT OCC ORGANIZATION

When working with the OCC Organization, you can rest assured that the personal data entrusted to us are entirely secure. We can demonstrate compliance with the highest standards for protecting your personal data, in line with the legal provisions introduced by the EU and national legislators, as well as the implementation of the best market practices prevailing in our industry.

**WE PROCESS PERSONAL DATA LAWFULLY, RELIABLY, AND TRANSPARENTLY FOR THE DATA SUBJECT

We have conducted an audit of personal data security within our organization to ensure the utmost compliance with the law, reliability, and transparency in this regard. This audit involved the review and modification of existing procedures and policies related to personal data and IT security. It was conducted by an external audit company with extensive experience in the field of personal data law and the security of data transmission systems.

**WE COLLECT DATA EXCLUSIVELY FOR SPECIFIC, CLEAR, AND LEGALLY JUSTIFIED PURPOSES

When processing personal data, we always consider the purpose of their collection to act within the limits of GDPR provisions. We do not process data for purposes other than those for which they were collected. Additionally, we minimize data collection, limiting it only to what is necessary to achieve the purposes for which they were obtained. Data minimization was achieved through a detailed personal data inventory conducted during the audit.

**WE MAKE EVERY EFFORT TO ENSURE THE ACCURACY AND TIMELINESS OF THE DATA WE HOLD

In accordance with the principle of accuracy, we take all reasonable measures to promptly remove or correct personal data that are incorrect in relation to their processing purposes. If you wish to update the data we process, please contact us at rodo@ocmma.com.

**WE STORE DATA SECURELY AND PROTECT THEIR INTEGRITY AND CONFIDENTIALITY

We retain personal data only for the period necessary to achieve the purposes for which they were collected. We process them in a manner that ensures an adequate level of security, including protection against unauthorized or unlawful processing, accidental loss, destruction, or damage. To achieve this, we have implemented the appropriate technical and organizational measures required by the GDPR.
